Colorado Measures of Academic Success

The window for our CMAS testing begins on March 18th. Sixth, seventh, and eighth grades will be taking English/language arts and math tests, eighth grade will also take the science test. During the testing window, it is important that your child get a good night's sleep and eat a healthy breakfast. Thanks for your support in make sure our DMS students do their best on these state assessments!

Valentine's Day

Parents: DMS will be following the same protocol as DHS. We will NOT accept or deliver student Valentine gifts at school. If you are planning to get your child a Valentine, please plan on giving it to her/him at home.

Chromebooks and CMAS
 If your student has rented a chromebook from DMS, please remind your child to bring their chromebook fully charged to school each day during our CMAS testing window. The chromebooks will be placed in into "testing mode" by the district technology center during the testing window. This means the chromebooks cannot be used for any purposes other than CMAS testing. We are working hard to keep this time to the shortest amount of time possible. Thanks for your help!

HALL OF HONOR

Students are inducted into the DMS Hall of Honor if they receive the Golden Panther award as a 6th, 7th, and 8th grader. Students who receive this award get to design a special tile to be displayed in the East Hall.
