Athletics/Activities

3/9/19- Wrestling Tournament @ 8 AM Delta Middle School

3/12/19- Wrestling Tournament @ 2 PM Paonia Jr./Sr. High

3/16/19- Wrestling @ Olathe Middle School

CMAS Testing will begin on March 18th for 6th grade, with 7th and 8th immediately following. We will wrap up all testing by April 9th with the exception of makeups. Please make sure your child gets a good nights sleep and a healthy breakfast to help them do their best!

Chromebooks and CMAS Testing:
 Students who checked out a chromebook will be required to turn them in on March 12 for the state CMAS testing. Once testing is completed, the chromebooks will be returned to the students who rented them. This must be done to comply with the technology parameters for testing. Thank you for your understanding and cooperation.

Dangerous-Momo Challenge

We definitely live in an age where technology and social media influence our lives. It's a part of our culture. There are many positive aspects of social media that help us. There are also many ways that social media and technology can have a negative impact on our lives. As parents, it's a struggle to stay ahead of things and keep track of what our children are exposed to. This week I became aware of something called the 'Momo Challenge' that is promoted as a game. It has been on different apps such as Snap Chat. It has now been popping up on Kids YouTube. There is nothing good about this game. It is especially scary to younger kids and has the potential to be harmful to all kids. Players are presented with different challenges that build up to harming themselves or even challenging them to commit suicide. Channel 7 news out of Denver has done a news piece on it. Please be diligent on knowing what your kids are watching and having them talk to you if they see something that is frightening or harmful.
