Parent Teacher Conferences - Thank you for your participation in Parent/Teacher conferences with the new format we used this year. Our staff reported great success and parent involvement, and we are grateful we were able to share a conversation with you about our amazing students at DMS! As always, if you would like to speak with your son or daughter's teachers, don't hesitate to call DMS and we will be happy to set up a meeting with you.

Grades/End of Quarter- The end of the first quarter is October 9. We encourage you to check in with your child about how their classes are going and their current grades. Progress reports are completed every Monday and should come home with your student Monday night to be signed by a parent/guardian. Report cards will be emailed to parents the week of October 26-29. If your contact information has changed, please call our office to avoid any delays in receiving your child's report card.
