The 3 C's of life: **CHOICES, CHANCES, CHANGES,**
YOU MUST MAKE A CHOICE TO TAKE A CHANCE
OR YOUR LIFE WILL NEVER CHANGE.

MASKS ARE REQUIRED AT DMS!

Thank you to all who make sure your student has one before arriving to school!

Due to ample time to transition to mask requirements, now students will be given two warnings to have their mask on when moving about the building before disciplinary action will be taken.

ALL ADULTS ENTERING THE FOYER AND INTO THE MAIN BUILDING MUST HAVE A MASK ON. THANK YOU FOR YOUR COOPERATION.

If your student has been tested and is positive, **DO NOT** send them to school even if they have **NO** symptoms!!!!
Please contact the DMS front office and speak to our health aide to determine next steps for your child.

- ***If a student is in Quarantine from school, they DO have school assignments to complete on Google Classroom! Some kids are telling parents they have no work to do! NOT TRUE! (-: Please check out PowerSchool to make sure that is the case!***
- ***Teachers are posting videos or students can join classes live via Google Classroom to get their instructions and assignments.***
