UPCOMING BREAK

NO SCHOOL FEBRUARY 15-19

*****No flower or valentine deliveries will be accepted on February 12 during school hours.*****

If your student has been tested and is positive, DO NOT send them to school even if they have NO symptoms!!!! Please contact the DMS front office and speak to our health aide to determine next steps for your child. 970-874-8046

- **Students working from home:** Students who are quarantined will still need to access their school work using Google Classroom. Some teachers may live stream lessons and some may record lessons for students to access. Students will need to adjust on what is available and they all have been trained how to access and submit their assignments.
